Doug and Arlene

Attached is a copy of the response to Deputy Assistant Administrator Beauvais regarding state issues with compliance with the Lead and Copper Rule.

The attached letter was mailed and emailed to Mr. Beauvais today.

Please feel free to contact us to further discuss.

Subject: NJDEP response to EPA - Framework questions - Lead and Copper Rule (LCR)
Importance: High

Good Afternoon, Doug and Arlene -

Attached please find out response to the framework questions received from you.

We will send you a copy of our response to Joel Beauvais as a separate email.

Please contact us to further discuss as needed.

Thank you
